VOLUNTARY ARTIFICIAL RECORD KEEPING

REGISTRATION NUMBER:

The certificate and the attached copy of the artificial specimen shall not constitute any other legal protection of copyright or other intellectual property, except as a means of proving that the creation registered by the author as his / her own has existed on the date of issue of the certificate with the copy-by-page content that appended to the certificate.

Warning!

The testimony and the appended artificial copy in an undamaged state have probative power.
